

76th Annual General Meeting & Convention

Community Hall — Flin Flon, Manitoba

April 3rd & 4th 2019

Our northern shipping corridor depends on the support of all stakeholders. We will take an in-depth look into the future of the Port of Churchill and the Hudson Bay Rail, under new Canadian ownership, and the positive impact this change of ownership will have on northern communities, First Nations, industry, grain producers and shippers.

Expected attendance will be 100-125 people, made up of representatives from farm organizations, industry, rail transportation, local government, and First Nations.

All sponsors will be acknowledged from the podium and also displayed on an electronic billboard throughout the convention.
